## Portable Diesel Heater GDH-020P

### Features:

- Built in 5L diesel tank
- Suitable for outdoor heating
- Powerful 2kW heating output
- Both portable and external usage
- Low voltage DC (12V) power input
- Pre-assembled and compact design
- High efficiency and low consumption
- Your smart phone can control the unit
- Ducts can be connected and extended
- Dimensions: 398X235.5X258.3mm
